2009-2010 MARCHING BAND PORTRAITS

by Cheryl's Photography 598-1553

Cheryl Nygaard, a band parent and professional photographer, will be taking pictures of marching band members individually as well as in sections on Saturday, September 19, 2009 during the 8:00-12:00 marching band practice! These portraits will be taken outdoors with band members in full uniform and are delivered in a memory mate labeled with the year and the marching band insignia.

Please fill out the order form below and include payment for the portraits with your order. Please turn in these order forms as soon as possible to Mr. Williams OR turn in your form when the pictures are taken on Saturday. Band members: Your individual picture will not be taken if you have not turned in an order form! Pictures will be delivered to the musician in band in the middle of October.

Remember: the portraits will be available in plenty of time to distribute to relatives for Christmas! These portraits make great gifts and are great mementoes of your child's year in marching band.
