

**Parent and Student Acknowledgement**

I \_\_\_\_\_ am the parent or legal guardian of \_\_\_\_\_ and understand that my student and I must abide by the following requirements in order to continue to participate in the Doherty Band fundraiser at the Sky Sox concession stand.

1. My student will not sign up to work any games prior to June 1<sup>st</sup> or after Labor Day.
2. My student and I must both be signed up to work or my student will not be allowed to work the concession stand.
3. My student must stop working no later than 9 pm regardless of whether the shift's work is completed in order to abide by state labor laws.
4. My student's total shifts per week cannot exceed 8 hours per day and cannot exceed 40 hours per week. It is my responsibility to ensure that my student is not signed up to work in excess of these state mandated maximums.
5. Even though my student may be asked to leave the stand prior to stand shut down or the shift's work being completed, I must stay until the stand manager dismisses the workers. Failure to do so will result in forfeiture of all future opportunities to participate in this fundraiser for myself and for my student.
6. My student and I must provide a valid work permit and this completed form to the volunteer coordinator prior to any shifts being scheduled.
7. If I submit any shift requests to the volunteer coordinator prior to a valid work permit AND this completed form being received, all requests will be held until the work permit and form are received.
8. If the shifts requested are filled by others who have already met these requirements prior to my submitting the required work permit and completed form, I understand that my student and I will not be given priority and the schedule will remain as it is.
9. I will direct any questions or concerns regarding this policy to the volunteer coordinator, Wanda Patterson, for clarification and/or assistance.
